## What is this all about?

I am Dr. Charlie. I am going to explain about an innovative service.

## Myteleconsult.com provides

- 1) 1-800 number as my primary contact for my patients
- 2) An IVR with language options to greet and guide my caller
- 3) Announces my Schedules/Appropriate messages to my caller
- 4) If they need to consult with me over phone, all they have to do is
  1. Buy my calling cards from my Clinic/any Pharmacy that stocks it
  2. Call my 1-800 no. and when IVR prompts, punch in my calling card secret code
  3. Myteleconsult.com verifies my consulting schedule & applicable charges - then connects to my phone.
  4. If by chance, my phone is busy, then the IVR system will request my patient to call me again, without deducting the money.
  5. And I have the freedom to define my tariff (Example, Rs.200 or Rs.300 or Rs.1000/ consultation and this consultation with upper cap of 10 or 20 or 30 minutes.
  6. This service makes my mobile and my time always personal.
